Welcome

TO Rangeview's Designated Schools

A PLACE WHERE YOUR CHILD WILL GROW AND FLOURISH

Choosing a school for your child can be incredibly overwhelming, with the seemingly endless number of options, and the equally endless amount of uncertainty around which schools your child is actually eligible for. At Section23 Developments, we recognize how complex this process can be, and we want to do all we can to make it as simple as possible. In this booklet, we have compiled all the necessary information about the designated schools for Rangeview.

Please note that this information is accurate as of the 2025-26 school year, and is subject to change at any point in the future. As well, it is important to know that as the land developer, we have no authority when it comes to which schools are designated for the residents of Rangeview.

Before we list the details of each individual school, it is important to outline how this booklet will be organized. There are four broad categories of school available to you as a Calgarian, **Public, Catholic, Private** and **Charter**. In this Guide, we'll discuss Rangeview's designated Public and Catholic schools, including French Immersion options.

First up, **Public Schools**. The majority of public schools are run by the Calgary Board of Education (CBE), which assigns your child multiple school options based on your home address. This will leave you with a list of designated schools that you can choose from based upon which program you wish your child to attend. The CBE also encapsulates at-home learning, online learning, and outreach programs. Across all public schools, no tuition fees are required.

Catholic Schools also do not charge tuition, but do offer Catholic education. The main school board here is the Calgary Catholic School District (CCSD), which also assigns designated schools based on home address.

One last note — once you have chosen a school, be sure to contact the school regarding registration as soon as possible. While most schools (particularly public schools) will accept registrations around March for the upcoming school year in September, space for your child in a particular school cannot be guaranteed. Be sure you are proactive about registration by reaching out to schools early. Contact details for all schools can be found on the school's website. We hope this booklet helps you find a school where your child truly flourishes.

*We want to do all we can
to make it as simple as possible.*

Elementary Schools

RANGEVIEW'S DESIGNATED SCHOOLS
